FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 20TH APRIL, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 20th of April, 1840, is hereby promulgated for general information.

ACT No. IX. OF 1840.

An Act for amending the law administered in Her Majesty's Courts of Justice with reference to Arbitrations, Damages, and interested Witnesses.

Whereas it is expedient to extend to the Territories of the East India Company certain provisions of the Statute 3d and 4th William IV. Chap. 42 whereby remedies have been applied for the uncertainty and imperfections heretofore incident to Arbitrations, for the insufficient damages which injured parties were limited by the technical terms of certain actions, and for the obstruction to justice frequently occasioned by reason of the legal incompetency of witnesses to give evidence in consequence of having some interest in the event of the suit to which their testimony relates;

It is hereby enacted, that, 3 and 4. W. 4. C. 42. in order to render the rejection of witnesses on the ground of interest less frequent, if any witness shall be objected to in any of Her Majesty's Courts of Justice as incompetent on the ground that the verdict or judgment in the action on which it shall be proposed to examine him would be admissible in evidence for or against him, such witness shall nevertheless be examined, but in that case a verdict or judgment in that action in favor of the party on whose behalf he shall have been examined shall not be admissible in evidence for him or any one claiming under him; nor shall a verdict or judgment against the party on whose behalf he shall have been examined be admissible in evidence against him or any one claiming under him.

II. And it is hereby enacted, 3 and 4. W. 4. C. 42. that the Court on the trial of any issue, or on any inquiry of damages, in any suit before any of Her Majesty's Courts of Justice may, if it shall think fit, give damages in the nature of interest over and above the value of the Goods at the time of the conversion or seizure in all actions of trover or trespass de bonis asportatis and over and above the money recoverable in all actions on policies of assurance made after the passing of this Act.

III. And it is hereby enacted, 3 and 4. W. 4. C. 42. that the power and authority of any arbitrator or umpire appointed by or in pursuance of any rule of Court, or Judge's order, or order of reference, in any action now brought or which shall be hereafter brought, or by or in pursuance of any submission to reference containing an agreement that such submission shall be made a rule of any of Her Majesty's Courts, shall not be revocable by any party to such reference without the leave of the Court by which such rule or order shall be made or which shall be mentioned in such submission, or by leave of a Judge, and the arbitrator or umpire shall and may, and is hereby required to proceed with the reference notwithstanding any such revocation, and to make such award, although the person making such revocation shall not afterwards attend the reference, and that the Court, or any Judge thereof may from time to time enlarge the term for any such arbitrator making his award.

IV. And it is hereby enacted, 3 and 4. W. 4. C. 42. that when any reference shall have been made by any such rule or order, as aforesaid, or by any submission containing such agreement as aforesaid, it shall be lawful for the Court by which such rule or order shall be made, or which shall be mentioned in such agreement, or for any Judge by rule or order to be made for that purpose to command the attendance and examination of any person to be named, or the production of any documents to be mentioned in such rule or order, and the disobedience to any such rule or order shall be deemed a contempt of Court, if, in addition to the service of such rule or order, an appointment of the time and place of attendance in obedience thereto, signed by one at least of the Arbitrators, or by the Umpire, before whom the attendance is required, shall also be served either together with or after the service of such Rule or Order: Provided always that every person whose attendance shall be so required, shall be entitled to the like conduct money and payment of expenses, and for loss of time as for and upon attendance at any trial: Provided also, that the application made to such Court or Judge for such Rule or Order shall set forth the place where such witness is residing at the time, or satisfy such Court or Judge that such person cannot be found: Provided also, that no person shall be compelled to produce under any such Rule or Order any writing or other document that he would not be compelled to produce at a trial, or to attend at

more than two consecutive days to be named in such Order.

V. And it is hereby enacted, that when in any Rule or Order of reference, or in any submission to arbitration containing an agreement that the witnesses upon such reference shall be examined upon oath, it shall be lawful for the Arbitrators or Umpire, or any one Arbitrator, and he or they are hereby authorized and required to administer an oath to such witnesses, or to take their affirmation in cases where affirmation is allowed by law instead of oath, and if upon such oath or affirmation any person making the same shall wilfully and corruptly give any false evidence, every person so offending shall be deemed and taken to be guilty of perjury, and shall be prosecuted and punished accordingly.

VI. And it is hereby enacted, that this Act shall take effect in Calcutta from the day of its passing, and at Madras and Bombay after the expiration of thirty days from such day, and in the Straits Settlements after the expiration of sixty days from such day.

PILOT NOTICE.

BENGAL.

ORDERS having lately been received from the Hon'ble the Court of Directors, that the old Station off Point Palmyras shall be resumed by the Pilot Vessels during the South West Monsoon—Notice is hereby given, that from the 15th of March to the 15th of September, Pilot Vessels will cruise, as formerly, during the Day off Point Palmyras in Latitude 20° 42' to 20° 48' N. with the Point bearing a W. to W. by S. and anchor usually during the Night in a line East and West of each other, when the Vessel having on board the first Turn Pilot, will burn a Blue Light and Maroon alternately every hour commencing with the former at Eight o'Clock, and continuing till Day Light.

Commanders of Vessels are hereby informed, that the former Light House on Point Palmyras has been undermined by the Sea, and is now in so ruinous a state that no dependence must be placed on seeing any part of it.

Commanders are further informed, that the new Light House at False Point stands in Latitude 20° 19' 25 N. and Longitude 86° 48' 8 rising 120 feet above high water mark, and being coloured dark red, or reddish brown, with a large white star in the centre. The Building may be seen in clear weather by Day, and the Light (formed of Argand Lamps with reflectors) by Night, from 18 to 20 miles, at a height of 12 or 15 feet from the level of the Sea.

Commanders are recommended not to come under eight fathoms at the lowest for the purpose of making the Light House or Light at False Point, and, having made it to deepen their water again, say from 13 to 18 fathoms according to circumstances on steering to the North Eastward for the purpose of getting a Pilot off Point Palmyras. They are also recommended, whenever the weather assumes a threatening appearance and the wind inclines to the Eastward, to keep a still larger offing, particularly late in the season, as they may expect the Pilot Vessels to do the same, and that the latter will then be found nearer the Tails of the Reefs than Point Palmyras.

From the 15th September to the 15th March, the Pilot Vessels will cruise as before, between Saugor Sand and the Western Sea Reefs, according to the old Regulations.

PORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 20TH APRIL, 1840.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 20th of April, 1840, is hereby promulgated for general information.

Act No. IX. of 1840.

An Act for amending the law administered in Her Majesty's Courts of Justice with reference to Arbitrations, Damages, and interested Witnesses.

I. Whereas it is expedient to extend to the Territories of the East India Company certain provisions of the Statute 3d and 4th William IV. Chap. 42 whereby remedies have been applied for the uncertainty and imperfections heretofore incident to Arbitrations, for the insufficient damages to which injured parties were limited by the technical forms of certain actions, and for the obstruction to justice frequently occasioned by reason of the legal incompetency of witnesses to give evidence in consequence of having some interest in the event of the suit to which their testimony relates;

It is hereby enacted, that, in order to render the rejection of witnesses on the ground of interest less frequent, if any witness shall be objected to in any of Her Majesty's Courts of Justice as incompetent on the ground that the verdict or judgment in the action on which it shall be proposed to examine him would be admissible in evidence for or against him, such witness shall nevertheless be examined, but in that case a verdict or judgment in that action in favor of the party on whose behalf he shall have been examined shall not be admissible in evidence for him or any one claiming under him, nor shall a verdict or judgment against the party on whose behalf he shall have been examined be admissible in evidence against him or any one claiming under him.

3 and 4. W. 4. C. 42.
Sec. 26.

II. And it is hereby enacted, that the Court on the trial of any issue, or on any inquiry of damages, in any suit before any of Her Majesty's Courts of Justice may, if it shall think fit, give damages in the nature of interest over and above the value of the Goods at the time of the conversion or seizure in all actions of trover or trespass de bonis asportatis and over and above the money recoverable in all actions on policies of assurance made after the passing of this Act.

III. And it is hereby enacted, that the power and authority of any arbitrator or umpire appointed in pursuance of any rule of Court, or Judge's order, or order of reference, in any action now brought or which shall be hereafter brought, or by or in pursuance of any submission to reference containing an agreement that such submission shall be made a rule of any of Her Majesty's Courts, shall not be revocable by any party to such reference without the leave of the Court by which such rule or order shall be made or which shall be mentioned in such submission, or by leave of a Judge, and the arbitrator or umpire shall and may, and is hereby required to proceed with the reference notwithstanding any such revocation, and to make such award, although the person making such revocation shall not afterwards attend the reference, and that the Court, or any Judge thereof may from time to time enlarge the term for any such arbitrator making his award.

IV. And it is hereby enacted, that when any reference shall have been made by any such rule or order as aforesaid, or by any submission containing such agreement as aforesaid, it shall be lawful for the Court by which such rule or order shall be made, or which shall be mentioned in such agreement, or for any Judge by rule or order to be made for that purpose to command the attendance and examination of any person to be named, or the production of any documents to be mentioned in such rule or order, and the disobedience to any such rule or order shall be deemed a contempt of Court, if, in addition to the service of such rule or order, an appointment of the time and place of attendance in obedience thereto, signed by one at least of the Arbitrators, or by the Umpire, before whom the attendance is required, shall also be served either together with or after the service of such Rule or Order: Provided always that every person whose attendance shall be so required, shall be entitled to the like conduct money and payment of expences, and for loss of time as for and upon attendance at any trial: Provided also, that the application made to such Court or Judge for such Rule or Order shall set forth the place where such witness is residing at the time, or satisfy such Court or Judge that such person cannot be found: Provided also, that no person shall be compelled to produce under any such Rule or Order any writing or other document that he would not be compelled to produce at a trial, or to attend at

more than two consecutive days to be named in such Order.

V. And it is hereby enacted, that when in any Rule or Order of reference, or in any submission to arbitration containing an agreement that the witnesses upon such reference shall be examined upon oath, it shall be lawful for the Arbitrators or Umpire, or any one Arbitrator, and he or they are hereby authorized and required to administer an oath to such witnesses, or to take their affirmation in cases where affirmation is allowed by law instead of oath, and if upon such oath or affirmation any person making the same shall wilfully and corruptly give any false evidence, every person so offending shall be deemed and taken to be guilty of perjury, and shall be prosecuted and punished accordingly.

VI. And it is hereby enacted, that this Act shall take effect in Calcutta from the day of its passing, and at Madras and Bombay after the expiration of thirty days from such day, and in the Straits Settlements after the expiration of sixty days from such day.

PILOT NOTICE.

BENGAL.

ORDERS having lately been received from the Hon'ble the Court of Directors, that the old Station off Point Palmyras shall be resumed by the Pilot Vessels during the South West Monsoon—Notice is hereby given, that from the 15th of March to the 15th of September, Pilot Vessels will cruise, as formerly, during the Day off Point Palmyras in Latitude 20° 42' to 20° 48' N. with the Point bearing a W. to W. by S. and anchor usually during the Night in a line East and West of each other, when the Vessel having on board the first Turn Pilot, will burn a Blue Light and Maroon alternately every hour commencing with the former at Eight o'Clock, and continuing till Day Light.

Commanders of Vessels are hereby informed, that the former Light House on Point Palmyras has been undermined by the Sea, and is now in so ruinous a state that no dependence must be placed on seeing any part of it.

Commanders are further informed, that the new Light House at False Point stands in Latitude 20° 19' 25" N. and Longitude 86° 48' 8" rising 120 feet above high water mark, and being coloured dark red, or reddish brown, with a large white star in the centre. The Building may be seen in clear weather by Day, and the Light (formed of Argand Lamps with reflectors) by Night, from 18 to 20 miles, at a height of 12 or 15 feet from the level of the Sea.

Commanders are recommended not to come under eight fathoms at the lowest for the purpose of making the Light House or Light at False Point, and, having made it to deepen their water again, say from 13 to 18 fathoms according to circumstances on steering to the North Eastward for the purpose of getting a Pilot off Point Palmyras. They are also recommended, whenever the weather assumes a threatening appearance and the wind inclines to the Eastward, to keep a still larger offing, particularly late in the season, as they may expect the Pilot Vessels to do the same, and that the latter will then be found nearer the Tails of the Reefs than Point Palmyras.

From the 15th September to the 15th March, the Pilot Vessels will cruise as before, between Sangor Sand and the Western Sea Reefs, according to the old Regulations.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium,* Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

An Act for amending Regulation V. of 1831 of the Madras Code as far as the same regards penalties for certain breaches of the Salt Laws.

GENERAL POST OFFICE.

BANGHY DEPARTMENT.

WITH a view to prevent injury to parcels, and to obviate the necessity for reference to this department—on the occurrence of damage to packets transmitted by Dawk Banghy—it is recommended to the public that particular attention be paid to the manner of making up parcels for transmission, during the approaching Rainy season, particularly—and it is suggested that every parcel be made up in Wax cloth, tied with twine, and sealed, before it be transmitted to the General Post Office for despatch—for it has been found that all the common modes fail to secure the parcels from injury. To this end also the Officers of the Banghy Department have been enjoined to pay particular attention to the state of parcels when first brought for registry—and to return such as are insecurely packed—in order that the senders may at least have an opportunity to avoid loss or injury.

With these precautions, which are meant for the general good, it is hoped much annoyance and loss may be avoided.

MESSRS. GRINDLAY, CHRISTIAN, & MATTHEWS

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance.—Its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouchered for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium,* Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so repaying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages—Extracts from the Acts 3 and 4, Will 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

GENERAL POST OFFICE.

BANGHY DEPARTMENT.

WITH a view to prevent injury to parcels, and to
obviate the necessity for reference to this depart-
ment—on the occurrence of damage to packets transmitted
by Dawk Banghy—it is recommended to the public that
particular attention be paid to the manner of making up
parcels for transmission, during the approaching Rainy
season, particularly—and it is suggested that every parcel
be made up in Wax cloth, tied with twine, and sealed,
before it be transmitted to the General Post Office for
despatch—for it has been found that all the common modes
fail to secure the parcels from injury. To this end also
the Officers of the Banghy Department have been enjoined
to pay particular attention to the state of parcels when
first brought for registry—and to return such as are in-
securely packed—in order that the senders may at least
have an opportunity to avoid loss or injury.

With these precautions, which are meant for the general
good, it is hoped much annoyance and loss may be avoided.

H. S. OLDFIELD,

Offg. Post Master General.

POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the Presi-
dent in Council, from and after the 15th of the
ensuing month of January, there will be a second despatch,
daily, from Calcutta to Khamrah, six stages in advance of

Calcutta. The ordinary Mail, from Calcutta, as at present,
will go out at 8 p. m. The other daily despatch will be
sent off at noon.

Nuddea	Jungypore	
Calnah	Khamrah	

It has not been found expedient to extend the double
despatch on this line of Dawk route, beyond Khamrah, as
the great encrease of expense for the maintenance of the
additional establishment which would thus be required,
would not be compensated for by the advantage likely to
be gained.

Arrangements are making for adopting a similar double
despatch, along the whole line of Dawk route, from Cal-
cutta to Kurnaul, which will, probably, be brought into
operation by the 1st of February next; but of which, fur-
ther notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ A. M.

WEDNESDAY, MAY 13, 1840.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 11TH MAY, 1840.

The following Draft of a proposed Act was read in Council for the first time on the 11th May, 1840:

ACT No. — of 1840.

An Act for executing within the local limits of the jurisdiction of Her Majesty's Courts legal process issued by authorities in the Mofussil.

I. Whereas great inconvenience has been experienced, in consequence of the difficulty of procuring the attendance as witnesses before the Mofussil Authorities of persons resident within the local limits of Her Majesty's Supreme Courts, and, in consequence of justice being often frustrated by reason of persons and property within such limits being exempted from process issued by such Authorities, which has also occasioned inconvenience to the inhabitants within such limits, in suits in the Mofussil Courts to which they are parties;—

It is hereby enacted, that any Writ, Warrant, or other Process issued by any Court, Judge, or Magistrate in the territories beyond the local limits of the Supreme Courts of Calcutta, Madras and Bombay respectively, may be executed within those limits in manner following—A copy of such Writ, Warrant, or other Process authenticated as such by the attestation of the Court, Judge, or Magistrate signing or issuing the same, accompanied by a certified translation in the English language, shall be presented to the Court of Sudder Dewanny Adawlut or Court of Sudder Nizamut Adawlut, (according as the Writ, Warrant, or Process relates to a Civil or Criminal proceeding,) to whose jurisdiction such Court, Judge, or Magistrate is subject, to be there recorded. And the Sudder Courts aforesaid are hereby required to record the same accordingly, and the Registrar of such Sudder Courts respectively, shall certify the recording of same upon the back of the Writ, Warrant, or other Process, and thereupon any Judge of Her Majesty's Courts shall under his hand and signature indorse and direct the same to be executed within the local limits of any of Her Majesty's Courts by the Sheriff, or by any Justice of the Peace according to the nature of such Writ, Warrant or other Process.

II. And it is hereby provided, that upon the delivery of every such Writ, Warrant or Process so endorsed as aforesaid to any such Sheriff as aforesaid, every such Sheriff shall make a memorandum of the date of such delivery, and shall execute such Writ, Warrant or Process in like manner as if the same had originally issued from any of Her Majesty's Courts and had been delivered at the date as appearing by the memorandum; and such Sheriff shall make no distinction as to priority or otherwise between the execution of any Writ, Warrant or other Process originally issued from any of Her Majesty's Courts, and the execution of any Writ, Warrant or other Process, under this Act. But every Writ, Warrant and other Process whether original, or indorsed as aforesaid, shall, amongst each other, be subject to the same rules touching the mode and order of execution as are now established in respect of Writs, Warrants, and other Process originally issued from Her Majesty's Courts of Justice.

III. And it is hereby enacted, that every such Sheriff shall be liable to be proceeded against in Her Majesty's Courts of Justice for all matters touching the execution of any Writ, Warrant or other Process executed under this Act, in like manner as if the same had originally issued from any of Her Majesty's Courts of Justice. And all persons and property seized or detained under any Writ, Warrant or Process executed by virtue of this Act shall be dealt with in like manner as if such persons or property had been seized or detained under the like Writ, Warrant

or other Process issued from any of Her Majesty's Courts of Justice.

IV. And it is hereby enacted, that all persons disobeying or obstructing the execution of any Writ, Warrant or other Process endorsed under this Act, shall be punishable in Her Majesty's Courts of Justice, in like manner as if the same had issued from such Courts; Provided always that, in the case of process for the attendance of witnesses, Her Majesty's Courts shall be governed by the like rules touching expenses and other matters as are established in regard to Subpoenas issued from such Courts.

V. And it is hereby enacted, in the case of persons seized or detained by virtue of any Writ, Warrant or other Process executed under the authority of this Act by any Justice of the Peace, or by any Sheriff, it shall be the duty of every such Sheriff or Justice of the Peace if so required by the indorsement of the Judge, to deliver the party in custody to such authority or persons as shall be particularly specified in such indorsement, and who shall have been charged with the execution of the Writ, Warrant or other Process by the authority originally issuing the same, and for that purpose to cause the party in custody to be conveyed to any place within the Company's territories beyond the local limits of the jurisdiction of Her Majesty's Courts.

VI. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, it shall be lawful for the Judge who shall be required to indorse the same, to remit the same for amendment to the authority issuing the same if the same shall appear to be defective in any matter of form.

VII. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, for the seizure or detention of any person it shall be lawful for the Judge who shall be required to indorse the same to direct by indorsement that bail (the amount and number of Sureties to be specified in such indorsement) may be taken; and for this purpose to call for such documents and to make such enquiry as he shall think proper.

VIII. And whereas it is expedient, that offenders sentenced by the Mofussil authorities to imprisonment with or without hard labour, should be subjected to the most improved rules of prison-discipline, which cannot, in all cases, be conveniently done except in the prisons locally situate within the jurisdiction of Her Majesty's Supreme Courts, it is hereby enacted, that all Civil and Criminal Gaols and Houses of Correction within the jurisdiction of any of Her Majesty's Supreme Courts, shall, according to the nature of the case, be liable to be used by the Sheriff for the purposes of this Act, and the parties imprisoned therein under the authority of this Act shall be liable to the prison-discipline thereof, and all sentences of imprisonment passed by any Judge, Court or Magistrate in the territories of the East India Company beyond the local limits of Her Majesty's Supreme Courts may be executed in whole or in part within any of the Gaols or Houses of Correction aforesaid, provided that a copy of the Warrant of Commitment or other Process authorizing the imprisonment be so indorsed as aforesaid, and such indorsement contain the necessary directions.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first Meeting of the Legislative Council of India after the 11th day of August next.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors shall be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

GENERAL POST OFFICE.

BANGHY DEPARTMENT.

WITH a view to prevent injury to parcels, and to obviate the necessity for reference to this department—on the occurrence of damage to packets transmitted by Dawk Banghy—it is recommended to the public that particular attention be paid to the manner of making up parcels for transmission, during the approaching Rainy season, particularly—and it is suggested that every parcel be made up in Wax cloth, tied with twine, and sealed, before it be transmitted to the General Post Office for despatch—for it has been found that all the common modes fail to secure the parcels from injury. To this end also the Officers of the Banghy Department have been enjoined to pay particular attention to the state of parcels when first brought for registry—and to return such as are insecurely packed—in order that the senders may at least have an opportunity to avoid loss or injury.

With these precautions, which are meant for the general good, it is hoped much annoyance and loss may be avoided.

SATURDAY, MAY 16, 1840.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 11TH MAY, 1840.

The following Draft of a proposed Act was read in Council for the first time on the 11th May, 1840:

ACT No. — of 1840.

An Act for executing within the local limits of the jurisdiction of Her Majesty's Courts legal process issued by authorities in the Mofussil.

I. Whereas great inconvenience has been experienced, in consequence of the difficulty of procuring the attendance as witnesses before the Mofussil Authorities of persons resident within the local limits of Her Majesty's Supreme Courts, and, in consequence of justice being often frustrated by reason of persons and property within such limits being exempted from process issued by such Authorities, much has also occasioned inconvenience to the inhabitants within such limits, in suits in the Mofussil Courts to which they are parties:—

It is hereby enacted, that any Writ, Warrant, or other Process issued by any Court, Judge, or Magistrate in the territories beyond the local limits of the Supreme Courts of Calcutta, Madras and Bombay respectively, may be executed within those limits in manner following.—A copy of such Writ, Warrant, or other Process, authenticated as such by the attestation of the Court, Judge, or Magistrate signing or issuing the same, accompanied by a certified translation in the English language, shall be presented to the Court of Sudder Dewanny Adawlut or Court of Sudder Nizamut Adawlut, (according as the Writ, Warrant, or Process relates to a Civil or Criminal proceeding,) to whose jurisdiction such Court, Judge, or Magistrate is subject, to be there recorded. And the Sudder Courts aforesaid are hereby required to record the same accordingly, and the Registrar of such Sudder Courts respectively, shall certify the recording of same upon the back of the Writ, Warrant, or other Process, and thereupon any Judge of Her Majesty's Courts shall under his hand and signature indorse and direct the same to be executed within the local limits of any of Her Majesty's Courts by the Sheriff, or by any Justice of the Peace according to the nature of such Writ, Warrant or other Process.

II. And it is hereby provided, that upon the delivery of every such Writ, Warrant or Process so endorsed as aforesaid to any such Sheriff as aforesaid, every such Sheriff shall make a memorandum of the date of such delivery, and shall execute such Writ, Warrant or Process in like manner as if the same had originally issued from any of Her Majesty's Courts and had been delivered at the date as appearing by the memorandum; and such Sheriff shall make no distinction as to priority or otherwise between the execution of any Writ, Warrant or other Process originally issued from any of Her Majesty's Courts, and the execution of any Writ, Warrant or other Process, under this Act. But every Writ, Warrant and other Process whether original, or indorsed as aforesaid, shall, amongst each other, be subject to the same rules touching the mode and order of execution as are now established in respect of Writs, Warrants, and other Process originally issued from Her Majesty's Courts of Justice.

III. And it is hereby enacted, that every such Sheriff shall be liable to be proceeded against in Her Majesty's Courts of Justice for all matters touching the execution of any Writ, Warrant or other Process executed under this Act, in like manner as if the same had originally issued from any of Her Majesty's Courts of Justice. And all persons and property seized or detained under any Writ, Warrant or Process executed by virtue of this Act shall be dealt with in like manner as if such persons or property had been seized or detained under the like Writ, Warrant

or other Process issued from any of Her Majesty's Courts of Justice.

IV. And it is hereby enacted, that all persons disobeying or obstructing the execution of any Writ, Warrant or other Process endorsed under this Act, shall be punishable in Her Majesty's Courts of Justice, in like manner as if the same had issued from such Courts; Provided always that, in the case of process for the attendance of witnesses, Her Majesty's Courts shall be governed by the like rules touching expenses and other matters as are established in regard to Subpoenas issued from such Courts.

V. And it is hereby enacted, in the case of persons seized or detained by virtue of any Writ, Warrant or other Process executed under the authority of this Act by any Justice of the Peace or by any Sheriff, it shall be the duty of every such Sheriff or Justice of the Peace if so required by the indorsement of the Judge, to deliver the party in custody to such authority or persons as shall be particularly specified in such indorsement, and who shall have been charged with the execution of the Writ, Warrant or other Process by the authority originally issuing the same, and for that purpose to cause the party in custody to be conveyed to any place within the Company's territories beyond the local limits of the jurisdiction of Her Majesty's Courts.

VI. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, it shall be lawful for the Judge who shall be required to indorse the same, to remit the same for amendment to the authority issuing the same if the same shall appear to be defective in any matter of form.

VII. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, for the seizure or detention of any person it shall be lawful for the Judge who shall be required to indorse the same to direct by indorsement that bail (the amount and number of Sureties to be specified in such indorsement) may be taken; and for this purpose to call for such documents and to make such enquiry as he shall think proper.

VIII. And whereas it is expedient, that offenders sentenced by the Mofussil authorities to imprisonment with or without hard labour, should be subjected to the most improved rules of prison-discipline, which cannot, in all cases, be conveniently done except in the prisons locally situate within the jurisdiction of Her Majesty's Supreme Courts, it is hereby enacted, that all Civil and Criminal Gaols and Houses of Correction within the jurisdiction of any of Her Majesty's Supreme Courts, shall, according to the nature of the case, be liable to be used by the Sheriff for the purposes of this Act, and the parties imprisoned therein under the authority of this Act shall be liable to the prison-discipline thereof, and all sentences of imprisonment passed by any Judge, Court or Magistrate in the territories of the East India Company beyond the local limits of Her Majesty's Supreme Courts may be executed in whole or in part within any of the Gaols or Houses of Correction aforesaid, provided that a copy of the Warrant of Commitment or other Process authorizing the imprisonment be so indorsed as aforesaid, and such indorsement contain the necessary directions.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first Meeting of the Legislative Council of India after the 11th day of August next.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages—Extracts from the Acts 3 and 4, Will 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

To H. S. OLDFIELD, Esq.,
 Offg. Post Master General.

SIR,

I am directed by the Right Hon'ble the Governor General of India in Council to instruct you to notify in the Calcutta Gazette and other usual channels of information, that Letters put into the Post Office at Calcutta, or sent post-paid to Calcutta, or arriving from Europe or elsewhere beyond Sea, for the Officers and others of the Expedition to China, will be forwarded from Calcutta free of Postage, and that Letters addressed to Europe from the Officers and others of the Expedition will be transmitted by Ship, unless received into the Post Office of Calcutta through an Agent.

I have, &c.

POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 P. M. The other daily despatch will be sent off at noon.

Barrackpore	Jehanagore	The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail.
Serampore	Patoolee	
Chandernagore	Cutwah	The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.
Hooghly	Mera	
Noiserai	Berhampore	
Digrah	Jeagunge	
Santipore	Bogowangolah	
Nuddea	Jungypore	
Calnah	Khamrah	

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great increase of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ A. M.

GENERAL POST OFFICE.

BANGHY DEPARTMENT.

WITH a view to prevent injury to parcels, and to obviate the necessity for reference to this department—on the occurrence of damage to packets transmitted by Dawk Banghy—it is recommended to the public that particular attention be paid to the manner of making up parcels for transmission, during the approaching Rainy season, particularly—and it is suggested that every parcel be made up in Wax cloth, tied with twine, and sealed, before it be transmitted to the General Post Office for despatch—for it has been found that all the common modes fail to secure the parcels from injury. To this end also the Officers of the Banghy Department have been enjoined to pay particular attention to the state of parcels when first brought for registry—and to return such as are insecurely packed—in order that the senders may at least have an opportunity to avoid loss or injury.

With these precautions, which are meant for the general good, it is hoped much annoyance and loss may be avoided.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 15TH MAY, 1840.

The following Draft of a proposed Act was read in Council for the first time on the 11th May, 1840:

ACT No. — OF 1840.

An Act for executing within the local limits of the jurisdiction of Her Majesty's Courts legal process issued by authorities in the Mofussil.

I. Whereas great inconvenience has been experienced, in consequence of the difficulty of procuring the attendance as witnesses before the Mofussil Authorities of persons resident within the local limits of Her Majesty's Supreme Courts, and, in consequence of justice being often frustrated by reason of persons and property within such limits being exempted from process issued by such Authorities, which has also occasioned inconvenience to the inhabitants within such limits, in suits in the Mofussil Courts to which they are parties;—

It is hereby enacted, that any Writ, Warrant, or other Process issued by any Court, Judge, or Magistrate in the territories beyond the local limits of the Supreme Courts of Calcutta, Madras and Bombay respectively, may be executed within those limits in manner following.—A copy of such Writ, Warrant, or other Process authenticated as such by the attestation of the Court, Judge, or Magistrate signing or issuing the same, accompanied by a certified translation in the English language, shall be presented to the Court of Sudder Dewanny Adawlut or Court of Sudder Nizamut Adawlut, (according as the Writ, Warrant, or Process relates to a Civil or Criminal proceeding,) to whose jurisdiction such Court, Judge, or Magistrate is subject, to be there recorded. And the Sudder Courts aforesaid are hereby required to record the same accordingly, and the Registrar of such Sudder Courts respectively, shall certify the recording of the same upon the back of the Writ, Warrant, or other Process, and thereupon any Judge of Her Majesty's Courts shall under his hand and signature indorse and direct the same to be executed within the local limits of any of Her Majesty's Courts by the Sheriff, or by any Justice of the Peace according to the nature of such Writ, Warrant, or other Process.

II. And it is hereby provided, that upon the delivery of every such Writ, Warrant or Process so endorsed as aforesaid to any such Sheriff as aforesaid, every such Sheriff shall make a memorandum of the date of such delivery, and shall execute such Writ, Warrant or Process in like manner as if the same had originally issued from any of Her Majesty's Courts and had been delivered at the date as appearing by the memorandum; and such Sheriff shall make no distinction as to priority or otherwise between the execution of any Writ, Warrant or other Process originally issued from any of Her Majesty's Courts, and the execution of any Writ, Warrant or other Process, under this Act. But every Writ, Warrant and other Process, whether original or indorsed as aforesaid, shall, amongst other things, be subject to the same rules touching the mode and order of execution as are now established in respect of Writs, Warrants, and other Process originally issued from Her Majesty's Courts of Justice.

III. And it is hereby enacted, that every such Sheriff shall be liable to be proceeded against in Her Majesty's Courts of Justice for all matters touching the execution of any Writ, Warrant, or other Process issued under this Act, in like manner as if the same had originally issued from any of Her Majesty's Courts of Justice, and that persons and property seized or detained under any such Writ, Warrant, or Process executed by virtue of this Act shall be dealt with in like manner as if such persons or property had been seized or detained under the like Writ, Warrant,

or other Process issued from any of Her Majesty's Courts of Justice.

IV. And it is hereby enacted, that all persons disobeying or obstructing the execution of any Writ, Warrant or other Process endorsed under this Act, shall be punishable in Her Majesty's Courts of Justice, in like manner as if the same had issued from such Courts; Provided always that, in the case of process for the attendance of witnesses, Her Majesty's Courts shall be governed by the like rules touching expences and other matters as are established in regard to Subpoenas issued from such Courts.

V. And it is hereby enacted, in the case of persons seized or detained by virtue of any Writ, Warrant or other Process executed under the authority of this Act by any Justice of the Peace or by any Sheriff, it shall be the duty of every such Sheriff or Justice of the Peace if so required by the indorsement of the Judge, to deliver the party in custody to such authority or persons as shall be particularly specified in such indorsement, and who shall have been charged with the execution of the Writ, Warrant or other Process by the authority originally issuing the same, and for that purpose to cause the party in custody to be conveyed to any place within the Company's territories beyond the local limits of the jurisdiction of Her Majesty's Courts.

VI. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, it shall be lawful for the Judge who shall be required to indorse the same, to remit the same for amendment to the authority issuing the same if the same shall appear to be defective in any matter of form.

VII. And it is hereby provided, that in the case of any Writ, Warrant or other Process required to be indorsed under the authority of this Act, for the seizure or detention of any person it shall be lawful for the Judge who shall be required to indorse the same to direct by indorsement that bail (the amount and number of Sureties to be specified in such indorsement) may be taken; and for this purpose to call for such documents and to make such enquiry as he shall think proper.

VIII. And whereas it is expedient, that offenders sentenced by the Mofussil authorities to imprisonment with or without hard labour, should be subjected to the most improved rules of prison-discipline, which cannot, in all cases, be conveniently done except in the prisons locally situate within the jurisdiction of Her Majesty's Supreme Courts, it is hereby enacted, that all Civil and Criminal Gaols and Houses of Correction within the jurisdiction of any of Her Majesty's Supreme Courts, shall, according to the nature of the case, be liable to be used by the Sheriff for the purposes of this Act, and the parties imprisoned therein under the authority of this Act shall be liable to the prison-discipline thereof, and all sentences of imprisonment passed by any Judge, Court or Magistrate in the territories of the East India Company beyond the local limits of Her Majesty's Supreme Courts may be executed in whole or in part within any of the Gaols or Houses of Correction aforesaid, provided that a copy of the Warrant of Commitment or other Process authorizing the imprisonment be so indorsed as aforesaid, and such indorsement contain the necessary directions.

Ordered, that the Draft now read be published for general information.

And that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 11th day of August next.

GENERAL POST OFFICE.

BANGHY DEPARTMENT.

WITH a view to prevent injury to parcels, and to obviate the necessity for reference to this department—on the occurrence of damage to packets transmitted by Dawk Banghy—it is recommended to the public that particular attention be paid to the manner of making up parcels for transmission, during the approaching Rainy season, particularly—and it is suggested that every parcel be made up in Wax cloth, tied with twine, and sealed, before it be transmitted to the General Post Office for despatch—for it has been found that all the common modes fail to secure the parcels from injury. To this end also the Officers of the Banghy Department have been enjoined to pay particular attention to the state of parcels when first brought for registry—and to return such as are insecurely packed—in order that the senders may at least have an opportunity to avoid loss or injury.

With these precautions, which are meant for the general good, it is hoped much annoyance and loss may be avoided.

With reference to an Erratum in 15th Rule of the Rules for regulating the assignment of Building Locations and Grants of Land in the Hill Tract attached to the Station of Darjeeling, the Right Honorable the Governor General in Council has been pleased to direct that the Rules in question may be re-published with the Erratum corrected, for general information, viz. for "subject to the payment of a quit rent of 5 Rupees per annum for each allotment," read "50 Rupees per annum for each allotment."

Rules for regulating the assignment of Building Locations and Grants of Lands, in the Hill Tract attached to the Station of Darjeeling, and for the administration of the said tract, passed on the 4th September 1839, to be in force from the date of promulgation.

RULE 1ST.—All Lands not previously assigned or occupied with consent of the Officer in Civil charge, to be open for selection by parties themselves, and to be assignable by the Officer in charge to parties applying in the rotation of the receipt by him of their written applications.

RULE 2.—Any person, holding or occupying Land, not under a grant or title from the Officer in Civil charge duly registered, who shall refuse to engage for, or to remove from, the Land within one month from the date on which he shall be called upon to do so in writing by the said Officer, shall be subject to ejection. This rule will of course not apply to ancient Residents and parties in possession at the time when the territory of Darjeeling was made over by the Rajah of Sikkim.

RULE 3.—The Police and Magisterial authority within the tract ceded by the Rajah of Sikkim, will be exercised by the Officer in Civil and Political charge, until otherwise ordered or directed by the Government of India. If, at any time, these functions should be separated, the Magistrate shall aid, on the requisition of the Officer in Civil charge, in enforcing the ejection of persons occupying or holding lands without authority—and, any such unauthorized holder who shall not vacate when duly ordered by notice in writing, shall be liable to a penalty of 50 Rs., and, if he shall resist the Officers of the Magistrate, who may be aiding to enforce such ejection, he shall, on the offence being duly proved before the Magistrate, be liable to a fine of 500 Rs., leviable by distress.

RULE 4.—The Officer in Civil charge is vested with the power and authority of Civil Judge in respect to all claims, complaints, and disputes that may arise, and be cognizable in the Civil Courts of the settlement, under the Acts and Regulations in force for the Bengal Presidency.

RULE 5.—All deeds of grant or lease, shall be signed by the Officer in Civil charge, and shall specify the name of the grantee or lease-holder, the quantity and boundaries of the land included in the lease, and the rate of quit rent for building locations, and of rent per acre for garden, farm, or other ground, to be paid per annum.

RULE 6.—On furnishing a settler with a deed of grant or lease, the Officer in Civil charge shall require the individual to set up good and solid land marks for the distinct demarcation of his boundaries; and it shall be a condition in every deed of grant or lease to maintain the boundaries in good repair.

RULE 7.—When the Officer in Civil charge is satisfied that the prescribed land marks are in such a state of disrepair as to lead probably to disputes about limits, he shall call upon the settler in writing, to conform in this particular to the terms of his grant, on failure of which, at the end of one month, it shall be competent to the Officer in Civil charge to cause the proper repairs to be made, and to levy three times the cost of such repairs from the holder or occupier of the land, the amount to be levied in the same way as provided for the collection of Rents.

RULE 8.—When the boundary marks are put up to the satisfaction of the Officer in Civil charge, he shall note the same on the back of the lease, without which, the lease or grant cannot take effect. The offence of removing or effacing boundary marks shall be punishable by the Magistrate, and parties duly convicted shall be liable to a fine of 100 Rupees for each offence, which fine shall be leviable by distress.

RULE 9.—Deeds of grant or lease shall be issued by the Officer in Civil charge bearing dates the 1st of January and 1st of July respectively. Parties however desiring possession at intermediate periods, shall be put in possession according to their application, and shall be charged rent as provided in Rule 16.

RULE 10.—A Duplicate of every lease or grant shall be entered in a Register to be kept by the Officer in Civil charge.

RULE 11.—The Officer in Civil charge will collect the rents by demand in writing to be presented within 15 days after the same may be due, and if not paid within one month from the date of such demand, the Officer in Civil charge may levy distress upon any personal property found upon the location in arrears, and the charges of such distress and of interest on the arrears of 12 per cent. shall be taken from the proceeds of the sale of the property distrained.

RULE 12.—A transferee failing to Register shall be liable to double rent until the transfer is registered.

RULE 13.—On the registry of a change of title to lands, the new holder to pay a fee of 5 Rupees, to be applicable to the same purposes as the money received as rent.

RULE 14.—A space of 200 yards broad on either side of the principal line of the road from Kurseang to Dorjeling being reserved for building locations, grants of land for farm or other cultures cannot be made in that space.

RULE 15.—Building locations of an extent not exceeding 100 yards square will be allotted to applicants, subject to the payment of a quit rent of 50 Rupees per annum for each allotment.

RULE 16.—Rent shall be chargeable upon all locations from the beginning of the half year, if the application be made in the first two months of the half year, otherwise from the commencement of the next following half year.

RULE 17.—The Officer in Civil charge is vested with the discretionary power of allotting larger locations (than 100 yards square,) where the nature of the ground and other considerations may appear to him to warrant it. All allotments of building locations made previous to the date on which these rules came in force will be binding on Government according to the conditions; but parties desiring to change their locations, have the option of doing so on the above terms.

RULE 18. Lands for agricultural purposes will be assigned to applicants in lots of not less than ten acres, and ~~land shall be granted for the same for a term of not less than 30 years.~~ An exemption of five years payment of rent on uncleared spots will be allowed, after which rent will be leviable at the rate of 2 rupees per acre, per annum. If there be no clearance made, or actual occupation with implements of agriculture at the end of 5 years, the Lessee to forfeit his tenure.

RULE 19.—At Dorjeling, Mahaldaram, Kurseang and Pungkabaree, cleared spaces shall be allotted for shops, and the dwellings of trades-people, within which locations a frontage of 10 yards will be let in annual lease, at a rent of not less than 10 Rupees; any increase on this sum to be left to the discretion of the Officer in Civil charge, who shall regulate the amount of rent by the offers received.

RULE 20.—Government reserves to itself the right of making and constructing such roads and bridges as may be necessary for public purposes in all the lands connected with Dorjeling; and also the right to such indigenous timber, stone, and other materials, the produce of the land, as may be required for making and keeping the said roads and bridges, &c. in repair, and for any other public works. Government also reserves to itself all mines, as well as elephants, ivory, and other natural productions of the tract at the bases of the Hills—also free access for all persons to all the known springs of water within the tract allotted for building locations.

RULE 21.—The Officer in Civil charge to be vested with the powers usually granted to Collectors, as regards attachment and sale of property for arrears of rent, &c.

NOTIFICATION.

IT is the intention of the Hon'ble the Governor in Council to despatch a Steamer from Bombay to the Persian Gulf with a Mail for England on the 22d of June.

Arrangements have been ordered to be made to secure as far as practicable, the safe and speedy passage of the Mails, from Bussorah to Beyroot, but it is essential that letters both private and public be made of small dimensions, that the Mail bag may be light.

(Signed) E. M. WOOD, Lieut.-Col.,
Secretary to Government.

Bombay Castle, 6th May, 1840.

With reference to the above Notification, the Public are, hereby informed that the latest safe date, for the transmission of Letters from Calcutta, intended for conveyance by the June Steamer, will be the 7th proximo.

Particular attention is requested to the concluding paragraph of the Notification by the Secretary to the Bombay Government.

POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 P. M. The other daily despatch will be sent off at noon.

Barrackpore	Jehanagore	The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail.
Serampore	Patoolee	
Chandernagore	Cutwah	The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.
Hooghly	Mera	
Noiserai	Berhampore	
Digrah	Jeagunge	
Santipore	Bogowangulah	
Nuddea	Jungypore	
Calnah	Khamrah	

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great encrease of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ A. M.

GENERAL POST OFFICE.

BANGHY DEPARTMENT.

WITH a view to prevent injury to parcels, and to obviate the necessity for reference to this department—on the occurrence of damage to packets transmitted by Dawk Banghy—it is recommended to the public that particular attention be paid to the manner of making up parcels for transmission, during the approaching Rainy season, particularly—and it is suggested that every parcel be made up in Wax cloth, tied with twine, and sealed, before it be transmitted to the General Post Office for despatch—for it has been found that all the common modes fail to secure the parcels from injury. To this end also the Officers of the Banghy Department have been enjoined to pay particular attention to the state of parcels when first brought for registry—and to return such as are insecurely packed—in order that the senders may at least have an opportunity to avoid loss or injury.

With these precautions, which are meant for the general good, it is hoped much annoyance and loss may be avoided.

East India Army Agency,

16, CORNHILL, AND 8, ST. MARTIN'S PLACE,
CHARING CROSS.

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been
addressed to Captain Grindlay from all parts of
India, conveying the most flattering approbation of the
manner in which his duties to his constituents have
hitherto been performed, and the most cordial assur-
ances of support to the new Firm, commenced in
November, 1838, are felt by him to call for a public
expression of gratitude.

In thus offering his thanks for the extensive and
honorable patronage long afforded to the Establish-
ment under his sole management, and now so kindly
promised to the Firm of GRINDLAY, CHRISTIAN
AND MATTHEWS, he begs to assure his numerous
friends and well wishers, that the efforts of himself
and his partners will be unremittingly directed to
merit the continued confidence reposed in them by
the various branches of the Indian community, both
at home and abroad.

The high character attained by the Establishment
under his superintendence has been the result of many
years' perseverance,—Its pretensions were tested by
experience, and the value of the facilities which it
afforded for the dispatch of business, 'tried and vouch-
ed for by a large proportion of those whose engage-
ments led them to India. It is acknowledged with
pride, that success followed exertion, and the means
have thus been obtained of increasing the resources
of the Establishment and greatly enlarging the circle
of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN
AND MATTHEWS have only to remind their Sub-
scribers and the Public at large, that they continue to
transact every description of business connected with
India and the Colonies.

Parties desiring to support this Agency are inform-
ed that Subscriptions of 12 Rupees per annum will
be received by

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium,* Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

POLITICAL DEPARTMENT, 18TH MAY, 1840.

With reference to an Erratum in 15th Rule of the Rules for regulating the assignment of Building Locations and Grants of Land in the Hill Tract attached to the Station of Darjeeling, the Right Honorable the Governor General in Council has been pleased to direct that the Rules in question may be re-published with the Erratum corrected, for general information, viz. for "subject to the payment of a quit rent of 5 Rupees per annum for each allotment," read "50 Rupees per annum for each allotment."

Rules for regulating the assignment of Building Locations and Grants of Lands, in the Hill Tract attached to the Station of Darjeeling, and for the administration of the said tract, passed on the 4th September 1839, to be in force from the date of promulgation.

RULE 1ST.—All Lands not previously assigned or occupied with consent of the Officer in Civil charge, to be open for selection by parties themselves, and to be assignable by the Officer in charge to parties applying in the rotation of the receipt by him of their written applications.

RULE 2.—Any person, holding or occupying Land, not under a grant or title from the Officer in Civil charge duly registered, who shall refuse to engage for, or to remove from, the Land within one month from the date on which he shall be called upon to do so in writing by the said Officer, shall be subject to ejectment. This rule will of course not apply to ancient Residents and parties in possession at the time when the territory of Darjeeling was made over by the Rajah of Sikkim.

RULE 3.—The Police and Magisterial authority within the tract ceded by the Rajah of Sikkim, will be exercised by the Officer in Civil and Political charge, until otherwise ordered or directed by the Government of India. If, at any time, these functions should be separated, the Magistrate shall aid, on the requisition of the Officer in Civil charge, in enforcing the ejectment of persons occupying or holding lands without authority—and, any such unauthorized holder who shall not vacate when duly ordered by notice in writing, shall be liable to a penalty of 50 Rs., and, if he shall resist the Officers of the Magistrate, who may be aiding to enforce such ejectment, he shall, on the offence being duly proved before the Magistrate, be liable to a fine of 500 Rs., leviable by distress.

RULE 4.—The Officer in Civil charge is vested with the power and authority of Civil Judge in respect to all claims, complaints, and disputes that may arise, and be

recognizable in the Civil Courts of the settlement, under the Acts and Regulations in force for the Bengal Presidency.

RULE 5.—All deeds of grant or lease, shall be signed by the Officer in Civil charge, and shall specify the name of the grantee or lease-holder, the quantity and boundaries of the land included in the lease, and the rate of quit rent for building locations, and of rent per acre for garden, farm, or other ground, to be paid per annum.

RULE 6.—On furnishing a settler with a deed of grant or lease, the Officer in Civil charge shall require the individual to set up good and solid land marks for the distinct demarcation of his boundaries; and it shall be a condition in every deed of grant or lease to maintain the boundaries in good repair.

RULE 7.—When the Officer in Civil charge is satisfied that the prescribed land marks are in such a state of disrepair as to lead probably to disputes about limits, he shall call upon the settler in writing, to conform in this particular to the terms of his grant, on failure of which, at the end of one month, it shall be competent to the Officer in Civil charge to cause the proper repairs to be made, and to levy three times the cost of such repairs from the holder or occupier of the land, the amount to be levied in the same way as provided for the collection of Rents.

RULE 8.—When the boundary marks are put up to the satisfaction of the Officer in Civil charge, he shall note the same on the back of the lease, without which, the lease or grant cannot take effect. The offence of removing or effacing boundary marks shall be cognizable by the Magistrate, and parties duly convicted shall be liable to a fine of 100 Rupees for each offence, which fine shall be leviable by distress.

RULE 9.—Deeds of grant or lease shall be issued by the Officer in Civil charge bearing dates the 1st of January and 1st of July respectively. Parties however desiring possession at intermediate periods, shall be put in possession according to their application, and shall be charged rent as provided in Rule 16.

RULE 10.—A Duplicate of every lease or grant shall be entered in a Register to be kept by the Officer in Civil charge.

RULE 11.—The Officer in Civil charge will collect the rents by demand in writing to be presented within 15 days after the same may be due, and if not paid within one month from the date of such demand, the Officer in Civil charge may levy distress upon any personal property found upon the location in arrears, and the charges of such distress and of interest on the arrears of 12 per cent. shall be taken from the proceeds of the sale of the property distrained.

RULE 12.—A transferee failing to Register shall be liable to double rent until the transfer is registered.

RULE 13.—On the registry of a change of title to lands, the new holder to pay a fee of 5 Rupees, to be applicable to the same purposes as the money received as rent.

RULE 14.—A space of 200 yards broad on either side of the principal line of the road from Kurseang to Dorjeling being reserved for building locations, grants of land for farm or other cultures cannot be made in that space.

RULE 15.—Building locations of an extent not exceeding 100 yards square will be allotted to applicants, subject to the payment of a quit rent of 50 Rupees per annum for each allotment.

RULE 16.—Rent shall be chargeable upon all locations from the beginning of the half year, if the application be made in the first two months of the half year, otherwise from the commencement of the next following half year.

RULE 17.—The Officer in Civil charge is vested with the discretionary power of allotting larger locations (than 100 yards square,) where the nature of the ground and other considerations may appear to him to warrant it. All allotments of building locations made previous to the date on which these rules came in force will be binding on Government according to the conditions; but parties desiring to change their locations, have the option of doing so on the above terms.

RULE 18.—Lands for agricultural purposes will be assigned to applicants in lots of not less than ten acres, and leases will be granted for the same for a term of not less than 50 years. An exemption of five years payment of rent on uncleared spots will be allowed, after which rent will be leviable at the rate of 2 rupees per acre, per annum. If there be no clearance made, or actual occupation with implements of agriculture at the end of 5 years, the Lessee to forfeit his tenure.

RULE 19.—At Dorjeling, Mahaldaram, Kurseang and Pankuharee, cleared spaces shall be allotted for shops, and the dwellings of trades-people, within which locations a frontage of 10 yards will be let in annual lease, at a rent of not less than 10 Rupees; any increase on this sum to be left to the discretion of the Officer in Civil charge, who shall regulate the amount of rent by the offer received.

RULE 20.—Government reserves to itself the right of making and constructing such roads and bridges as may be necessary for public purposes in all the lands connected with Dorjeling; and also the right to such indigenous timber, stone, and other materials, the produce of the land, as may be required for making and keeping the said

roads and bridges, &c. in repair, and for any other public works. Government also reserves to itself all mines, as well as elephants, ivory, and other natural productions of the tract at the bases of the Hills—also free access for all persons to all the known springs of water within the tract allotted for building locations.

RULE 21.—The Officer in Civil charge to be vested with the powers usually granted to Collectors, as regards attachment and sale of property for arrears of rent, &c.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

GENERAL POST OFFICE.

BANGHY DEPARTMENT.

WITH a view to prevent injury to parcels, and to obviate the necessity for reference to this department on the occurrence of damage to packets transmitted by Dawk Banghy—it is recommended to the public that particular attention be paid to the manner of making up parcels for transmission, during the approaching Rainy season, particularly—and it is suggested that every parcel be made up in Wax cloth, tied with twine, and sealed,

before it be transmitted to the General Post Office for despatch—for it has been found that all the common modes fail to secure the parcels from injury. To this end also the Officers of the Banghy Department have been enjoined to pay particular attention to the state of parcels when first brought for registry—and to return such as are insecurely packed—in order that the senders may at least have an opportunity to avoid loss or injury.

With these precautions, which are meant for the general good, it is hoped much annoyance and loss may be avoided.

CIVIL SERVICE ANNUITY FUND.

NOTICE.—The following Despatch from the Honorable Court of Directors dated 26th March last, has been communicated in a letter from the Secretary to the Government of Bengal, dated 20th May, instant, viz.

To the Managers of the Civil Service Annuity Fund.

GENTLEMEN,

With reference to your letter dated the 7th April 1838, submitting a memorial from the Subscribers to the Civil Service Annuity Fund of this Presidency, I am directed by the Right Hon'ble the Governor to transmit to you for their information, the accompanying copy of a dispatch from the Hon'ble the Court of Directors in the Financial Department dated the 26th March last, intimating that the Hon'ble Court have determined to sanction the continuance of the Plan of retirement on the payment of quarter value with refund of excess contribution until the 30th April 1842, and that the Court intend at no distant period to communicate to the Government their determination upon the questions upon this subject now under reference to them.

2nd. I am at the same time directed to call your early and particular attention to the 2nd Para. of the Despatch.

I have, &c.

Fort William. Financ. Depart. }

London, the 25th March, 1840.

Our Governor of the Presidency of Fort William in Bengal.

Letter from dated 11th April 1838, No. 9. Submitting Memorial from Managers of Civil Service Annuity Fund (of 7th April 1838)

Secy's letter dated 11th July 1838, No. 150, A. Transmitting letter from Secretary to Civil Service Annuity Fund with enclosures, shewing the state of the Institution (of 30th June, 1838.

Para. 1. We have delayed noticing the letters referred to in the margin because we anticipated receiving the accounts of the state of the Civil Service Annuity Fund up to the 30th April last (1839,) sufficiently early to enable us to consider them before it became necessary to prepare for the expiration of the experimental term granted by our despatch to the Governor General of India of the

27th May, No. 7. of 1835, and extended to the 30th April next by our despatch of the 20th March 1838. In this however we have been disappointed, as those accounts have not yet reached us from your Presidency, although those for the year 1837-38, were despatched by you in the month of July 1838, and those for the past year have long since been received from Bombay.

2nd. In order to afford time for the due examination of the Statements of the condition of the Fund, we have determined to sanction the continuance of the plan now in operation until the 30th April 1842, and we desire that in the meantime we may be furnished annually, and at the earliest practicable period, with such Statements as were required by our former orders on this subject.*

3rd We intend at no distant period to communicate to you our determination upon the questions upon this subject now under reference to us.

We are, &c.

(Signed) R. JENKINS, &c.

True Copy,

(Signed) G. A. BUSHBY,

Secy. to the Government of Bengal.

With reference to the orders contained in this Despatch, the Managers publish for general information, the Statement entered in the margin* of unappropriated Annuities, which will be available on the 1st of August next, in case the Subscribers to the Fund should resolve upon the continuance of Rules 35 and 36 CONSEQUENTLY on the receipt of the above despatch.

* Statement prepared according to the tenor of Rule 35.

The value of nine Annuities allowed for 1840-41, commencing from the 1st May 1840, whereof two have been taken under the original Rules of the Fund, calculated upon the average age of those so taken, viz. 47 years, Co's Rs. 9,45,216
Reducible by the values of two Annuities taken on 1st May 1840, under the original Rules, i. e. at $\frac{1}{2}$ Value & premium, 2,10,048

7,35,168
Reducible, by one-third as lapsing to the Fund, 2,45,056

Remainder 4,90,112

If the Subscribers at the ensuing Meeting accept the Court's offer contained in the Despatch now published, Annuities to the value of this last sum (reducible if the whole be not claimed by Seniors by a part of the unadjusted value of one Annuity granted in 1838 at $\frac{1}{2}$ Value Premium under special orders from the Court) will be available to Subscribers duly qualified, in the order of Seniority as respects the Applicants before the 1st of August next, and as respects other Applicants in the order in which they may apply for Annuities, upon payment of one-fourth instead of one-half of the value of their respective Annuities. And in the event of the sum at the credit of a Subscriber so applying exceeding one-fourth of the value of his Annuity, the Balance will be refundable to him on his admission to an Annuity.

A Meeting of the Subscribers will be held at the Town Hall at 11 A. M. on Tuesday July 14th, to consider the course proper to be taken under these orders of the Hon'ble Court. It is particularly requested that every Subscriber will simply communicate his affirmative or negative vote (to be addressed to the Chairman) as to the continuance or discontinuance of the Grant of Annuities in the present and following season under the Rules referred to, viz. on completion of payment of one quarter value, with refund of all excess Subscriptions beyond.

This is more especially required in order to remove all doubts in respect to the Resolution on the subject being passed by a "Majority of the Subscribers in India" as required by Rule 38.

By order of the Managers,

H. V. BAYLEY, Secretary.

Civil Service Annuity Fund Office, }

With reference to an Erratum in 15th Rule of the Rules for regulating the assignment of Building Locations and Grants of Land in the Hill Tract attached to the Station of Darjeeling, the Right Honorable the Governor General in Council has been pleased to direct that the Rules in question may be re-published with the Erratum corrected, for general information,

viz. for "subject to the payment of a quit rent of 5 Rupees per annum for each allotment," read "50 Rupees per annum for each allotment."

Rules for regulating the assignment of Building Locations and Grants of Lands, in the Hill Tract attached to the Station of Darjeeling, and for the administration of the said tract, passed on the 4th September 1839, to be in force from the date of promulgation.

RULE 1ST.—All Lands not previously assigned or occupied with consent of the Officer in Civil charge, to be open for selection by parties themselves, and to be assignable by the Officer in charge to parties applying in the rotation of the receipt by him of their written applications.

RULE 2.—Any person, holding or occupying Land, not under a grant or title from the Officer in Civil charge duly registered, who shall refuse to engage for, or to remove from, the Land within one month from the date on which he shall be called upon to do so in writing by the said Officer, shall be subject to ejectment. This rule will of course not apply to ancient Residents and parties in possession at the time when the territory of Darjeeling was made over by the Rajah of Sikkim.

RULE 3.—The Police and Magisterial authority within the tract ceded by the Rajah of Sikkim, will be exercised by the Officer in Civil and Political charge, until otherwise ordered or directed by the Government of India. If, at any time, these functions should be separated, the Magistrate shall aid, on the requisition of the Officer in Civil charge, in enforcing the ejectment of persons occupying or holding lands without authority—and, any such unauthorized holder who shall not vacate when duly ordered by notice in writing, shall be liable to a penalty of 50 Rs. and, if he shall resist the Officers of the Magistrate, who may be aiding to enforce such ejectment, he shall, on the offence being duly proved before the Magistrate, be liable to a fine of 500 Rs., leviable by distress.

RULE 4.—The Officer in Civil charge is vested with the power and authority of Civil Judge in respect to all claims, complaints, and disputes that may arise, and be cognizable in the Civil Courts of the settlement, under the Acts and Regulations in force for the Bengal Presidency.

RULE 5.—All deeds of grant or lease, shall be signed by the Officer in Civil charge, and shall specify the name of the grantee or lease-holder, the quantity and boundaries of the land included in the lease, and the rate of quit rent for building locations, and of rent per acre for garden, farm, or other ground, to be paid per annum.

RULE 6.—On furnishing a settler with a deed of grant or lease, the Officer in Civil charge shall require the individual to set up good and solid land marks for the distinct demarcation of his boundaries; and it shall be a condition in every deed of grant or lease to maintain the boundaries in good repair.

RULE 7.—When the Officer in Civil charge is satisfied that the prescribed land marks are in such a state of disrepair as to lead probably to disputes about limits, he shall call upon the settler in writing, to conform in this particular to the terms of his grant, on failure of which, at the end of one month, it shall be competent to the Officer in Civil charge to cause the proper repairs to be made, and to levy three times the cost of such repairs from the holder or occupier of the land, the amount to be levied in the same way as provided for the collection of Rents.

RULE 8.—When the boundary marks are put up to the satisfaction of the Officer in Civil charge, he shall note the same on the back of the lease, without which, the lease or grant cannot take effect. The offence of removing or effacing boundary marks shall be cognizable by the Magistrate, and parties duly convicted shall be liable to a fine of 100 Rupees for each offence, which fine shall be leviable by distress.

RULE 9.—Deeds of grant or lease shall be issued by the Officer in Civil charge bearing dates the 1st of January and 1st of July respectively. Parties however desiring possession at intermediate periods, shall be put in possession according to their application, and shall be charged rent as provided in Rule 16.

RULE 10.—A Duplicate of every lease or grant shall be entered in a Register to be kept by the Officer in Civil charge.

RULE 11.—The Officer in Civil charge will collect the rents by demand in writing to be presented within 15 days after the same may be due, and if not paid within one month from the date of such demand, the Officer in Civil charge may levy distress upon any personal property found upon the location in arrears, and the charges of such distress and of interest on the arrears of 12 per cent. shall be taken from the proceeds of the sale of the property distrained.

RULE 12.—A transferee failing to Register shall be liable to double rent until the transfer is registered.

RULE 13.—On the registry of a change of title to lands, the new holder to pay a fee of 5 Rupees, to be applicable to the same purposes as the money received as rent.

RULE 14.—A space of 200 yards broad on either side of the principal line of the road from Kurseang to Darjeeling being reserved for building locations, grants of land for farm or other cultures cannot be made in that space.

RULE 15.—Building locations of an extent not exceeding 100 yards square will be allotted to applicants, subject to the payment of a quit rent of 50 Rupees per annum for each allotment.

RULE 16.—Rent shall be chargeable upon all locations from the beginning of the half year, if the application be made in the first two months of the half year, otherwise from the commencement of the next following half year.

RULE 17.—The Officer in Civil charge is vested with the discretionary power of allotting larger locations (than 100 yards square,) where the nature of the ground and other considerations may appear to him to warrant it. All allotments of building locations made previous to the date on which these rules came in force will be binding on Government according to the conditions; but parties desiring to change their locations, have the option of doing so on the above terms.

RULE 18. Lands for agricultural purposes will be assigned to applicants in lots of not less than ten acres, and leases will be granted for the same for a term of not less than 30 years. An exemption of five years payment of rent on uncleared spots will be allowed, after which rent will be leviable at the rate of 2 rupees per acre, per annum. If there be no clearance made, or actual occupation with implements of agriculture at the end of 5 years, the Lessee to forfeit his tenure.

RULE 19.—At Dorjeling, Mahaldaram, Kurseang and Punkaharee, cleared spaces shall be allotted for shops, and the dwellings of trades-people, within which locations a frontage of 10 yards will be let in annual lease, at a rent of not less than 10 Rupees; any increase on this sum to be left to the discretion of the Officer in Civil charge, who shall regulate the amount of rent by the offers received.

RULE 20.—Government reserves to itself the right of making and constructing such roads and bridges as may be necessary for public purposes in all the lands connected with Dorjeling; and also the right to such indigenous timber, stone, and other materials, the produce of the land, as may be required for making and keeping the said roads and bridges, &c. in repair, and for any other public works. Government also reserves to itself all mines, as well as elephants, ivory, and other natural productions of the tract at the bases of the Hills—also free access for all persons to all the known springs of water within the tract allotted for building locations.

RULE 21.—The Officer in Civil charge to be vested with the powers usually granted to Collectors, as regards attachment and sale of property for arrears of rent, &c.

NOTIFICATION.

IT is the intention of the Hon'ble the Governor in Council to despatch a Steamer from Bombay to the Persian Gulf with a Mail for England on the 22d of June.

Arrangements have been ordered to be made to secure as far as practicable, the safe and speedy passage of the Mails, from Bussorah to Beyroot, but it is essential that letters both private and public be made of small dimensions, that the Mail bag may be light.

(Signed) E. M. WOOD, *Lieut. Col.,*

Bombay Castle, 6th May, 1840.

With reference to the above Notification, the Public are, hereby informed that the latest safe date for the transmission of Letters from Calcutta, intended for conveyance by the June Steamer, will be the 7th proximo.

Particular attention is requested to the concluding paragraph of the Notification by the Secretary to the Bombay Government.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 P. M. The other daily despatch will be sent off at noon.

Barrackpore	Jehanagore	The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail.
Serampore	Patolee	
Chanderuagore	Cutwah	
Hoochly	Merni	
Noiserai	Berhampore	
Digrah	Jeagunge	
Santipore	Bogowangolah	The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.
Nuddea	Jungypore	
Calnah	Khamrah	

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great increase of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Cal-

cutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ A. M.

The following revised Terms and Conditions for making Advances in India and China upon Goods and Merchandize consigned to England are published for general information; also the following paragraphs 5 and 6 of the despatch of the Hon'ble Court of Directors, dated 17th August, prescribing the same for future observance:

TERMS AND CONDITIONS

FOR
MAKING ADVANCES IN INDIA AND CHINA,
UPON

The Goods and Merchandize of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve; and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

Per Company's Rupee for Advances made at.....	Bengal.
Ditto.....	Madras.
Ditto.....	Bombay.
Per Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Quinquennially, * Bills of Exchange of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Di-

rectors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

POST OFFICE NOTICE.

NOTICE.—Under the Orders of the Hon'ble the President in Council, from and after the 15th of the ensuing month of January, there will be a second despatch, daily, from Calcutta to Khamrah, six stages in advance of Berhampore; as, also, a second daily despatch thence to Calcutta. The ordinary Mail, from Calcutta, as at present, will go out at 8 p. m. The other daily despatch will be sent off at noon.

The mid-day despatch will convey letters, newspapers, &c. for the stations noted in the margin, thus giving them an advantage of 8 hours over the night Mail. The hour most suitable for despatching the second daily Mail from Khamrah will be fixed by the local Post Master, so that, similar convenience may be afforded to the Public, by a saving of 12 hours, more or less, in the arrival of letters, &c. in Calcutta from the stations specified.

It has not been found expedient to extend the double despatch on this line of Dawk route, beyond Khamrah, as the great increase of expense for the maintenance of the additional establishment which would thus be required, would not be compensated for by the advantage likely to be gained.

Arrangements are making for adopting a similar double-despatch, along the whole line of Dawk route, from Calcutta to Kurnaul, which will, probably, be brought into operation by the 1st of February next; but of which, further notice will be given, hereafter.

Letters for the stations specified which may be intended for transmission by the mid-day Mails, must be delivered at the General Post Office between the hours of 10 and 11½ a. m.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.
